

As One Denean

As One we walk this Earth together.
As One we sing to her our song.

As One we love her.
As One we heal her.
Her heart beats with our own as One.

As One we join with her our Mother.
As One we feel her sacred song.

As One we touch her.
As One we heal her.
Her heart beats with our own as One.

Harvest the Seeds of Love

Our prayer is characterized
by silence ~

Be still and know that I am God!

In that silence we listen for a new word.
God is present in all our lives.
God cares for us, and
our life experiences are a source
of deepening knowledge of God and self.

Inspired by God's Word in the silence
we share from our hearts.

To Ponder:

From "The Living Room" online radio program

God of the seasons, there is a time for everything; there is a time for dying and a time for rising. We need courage to enter into the transformation process. God of autumn, the trees are saying goodbye to their green, letting go of what has been. We, too, have our moments of surrender, with all their insecurity and risk. Help us to let go when we need to do so.

God of fallen leaves lying in colored patterns on the ground, our lives have their own patterns. As we see the patterns of our own growth, may we learn from them.

God of geese going south for another season, your wisdom enables us to know what needs to be left behind and what needs to be carried into the future.

We yearn for insight and vision.

God of flowers touched with frost and windows wearing white designs, may your love keep our hearts from growing cold in the empty seasons.

God of life, you believe in us, you enrich us, you entrust us with the freedom to choose life.

For all this, we are grateful. Amen.

Teresa of Ávila

May today there be peace within.

May you trust God
that you are exactly where you are meant to be.

May you not forget the infinite possibilities
that are born of faith.

May you use those gifts that you have received,
and pass on the love that has been given to you.

May you be content knowing you are a child of God.

Let this presence settle into your bones,
and allow your soul the freedom
to sing, dance, praise and love.

It is there for each and every one of us.
