

## Follow Your Heart's Desire

Jan Phillips - Ever With You CD

Follow your heart's desire  
Tune into what it feels  
It leads to love alone  
It knows the way to heal.  
Spread kindness everywhere  
Give more than what they ask  
You've come to light the world  
Your power's unsurpassed.

*What you have seen Me do, you too can do, and more  
So said the Holy One Who lives forevermore (x2)*

The power's in your hands  
The light is in your eyes.  
The love that holds you up  
Causes the sun to rise.  
Heaven is where you live  
Holy is what you are  
The fire inside of you  
is inside every star. (*refrain*)

You and the source are one  
You needn't look above  
It's all inside of you  
You're breathing pure love  
The new is being born  
The light is breaking through  
The very One you seek  
is in the heart of you. (*refrain*)

## "What you have seen me do..."

I can do things you  
cannot, you can do  
things I cannot;  
Together we can do  
great things.

Our prayer is characterized by silence ~  
**Be still and know that I am God!**

In that silence we listen for a new word.  
God is present in all our lives.  
God cares for us, and  
our life experiences are a source  
of deepening knowledge of God and self.

Inspired by God's Word in the silence  
we share from our hearts.

## To Ponder: Jan Phillips - Think of Yourself

Deep inside you the fire of creation burns your lungs and your legs. The One you cry out to is in your breath, in every cell and every thought. Like salt in the tear, joy in the laughter, the Holy One is in you being scattered like seeds across the land as you speak and write and reach out to touch. You are the hands and feet, the eyes and ears of the Great Beloved, you are the one we are waiting for, we hunger for the stories you have yet to tell. It is a requirement of this hour that each of us speaks, each of us say what happened and what we've learned. To reveal ourselves is to heal ourselves – and to heal ourselves is to heal each other and the world entire. From our revelations of intimacy and truthfulness, vulnerability and generosity, the future takes shape and enters into us - Our words made flesh, our thoughts made real. Yes, think of yourself as a creator...the peace you desire, the justice you cry out for - these will come as we speak them into being. As the cosmos is being created by the Mind of the Infinite One, this world is being created by the minds of the finite ones...By Us. Let us be mindful and full of care for the words we speak, the thoughts we think, the stories we tell...for these are the tools with which we build tomorrow

## READING - Henri Nouwen

A little criticism makes me angry  
and a little rejection makes me depressed.

A little praise raises my spirits  
and a little success excites me.

It takes very little to raise me up or thrust me down.

Often I am like a small boat on the ocean,  
completely at the mercy of the waves  
All the time and energy I spend in keeping some kind of balance  
and preventing myself from being tipped over and drowning,  
shows my life is mostly a struggle for survival.

Not a holy struggle,  
but an anxious struggle resulting from the mistaken  
idea that it is the world that defines me.

Sharing...  
a word...  
a phrase...  
a reflection...
