

All You Need Is Love The Beatles

Love, love, love
Love, love, love
Love, love, love

There's nothin' you can do that can't be done
Nothin' you can sing that can't be sung
Nothin' you can say, but you can learn how to play the game
It's easy

Nothin' you can make that can't be made
No one you can save that can't be saved
Nothin' you can do, but you can learn how to be you in time
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love
All you need is love
All you need is love, love
Love is all you need

There's nothin' you can know that isn't known
Nothin' you can see that isn't shown
There's nowhere you can be that isn't where you're meant to be
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

All You Need Is Love

Our prayer is characterized by silence ~

Be still and know that I am God!

In that silence we listen for a new word.

God is present in all our lives.

God cares for us, and
our life experiences are a source
of deepening knowledge of God and self.

Inspired by God's Word in the silence
we share from our hearts.

To Ponder: Dean Presson

Jesus told us there are only two primary commandments
1) love your creator God 2) love each other including
yourself and all of His creation. All other teachings are
applications of these two commandments of love

When our carnal minds and bodies are living within
these commandments, we can experience the true joy
of God's Grace. However when we travel outside the
boundaries of a loving soul, a conflict arises within us.
We are often tempted to seek excessive power or
money and also with various addictions that harm others
and ourselves. A battle then ensues between the loving
commandments of God and our carnal flesh. It is at that
time we listen to our loving souls for guidance away from
these negative, unhealthy cravings.

Listen to the quiet, calm voice that is within all our
hearts. Celebrate life as a time of growth for our soul as
well as our minds and bodies. We are in the care of a
loving mother/father God and we have chosen to come
here to learn and experience life's lessons to take with
us to our true heavenly home.

Reminders:

Come on time or **better yet, come early**
Honor the silence
Share briefly from personal experience
Listen to each other I
Discussion (cross talk) is for after the hour of prayer

The Whole Of You

My cells feed on meat and sugar.
They feed me back lust and nights.
Woe is me, dust and plights.
Believe, you have been the love of Mother Universe,
forests and heart.
"Be contagious, love," said she.
You are the seed for the upcoming forests.
Push your days onto the offering table
Thus, you repel darkness and fables.
Thus, your light joins the farthest galaxies.
And you would become the particles in God's heart.
Abide in the palm of mercy.
Love until the tune of the world sings a unique
song.
Love until the dances of wind turn to dew
and honey.
Love every soul. And every soul shall love the
whole of you.
